Dear Sir/Madam,

I hope this message finds you well. My name is Wulida Rochman, and I have had the privilege of working with esteemed clients in private and state Institutions in Indonesia.

Drawing from my experience, I am confident in my ability to meet your needs effectively.

Indonesian Armed Forces (2022) :
- Migrated legacy systems to Docker containers, enhancing scalability
- Conducted security audits and remediated vulnerabilities.
- Deploy system using hardened operating system

Indonesian Directorate General of Taxes (2022) :
- Involved to solve Openstack baremetal network provisioning in Data Centre of Indonesian Directorate General of Taxes.

Komisi Yudisial RI (2019) :
- Maintain zimbra mail server
- Configure internal DNS server using PowerDNS.
- Collaborated closely with the development team to ensure seamless deployment

PT Kartika Bina Medikatama aka MedikaPlaza (2018) :
- Involved to solve network fault in Data Centre of PT Kartika Bina Medikatama (https://medikaplaza.com)

SMK Bani Saleh Bekasi (2016):
- Setup & configure wireless network and setup local mail server in SMK Bani Saleh Bekasi (https://smkbanisaleh.sch.id)

Universitas Indraprastha (2015):
- Involved to complete wireless instalation and troubleshoot network fault in Universitas Indraprastha (https://unindra.ac.id)
- Reduced server response time by 40% through performance tuning
- Collaborated closely with the development team to ensure seamless deployment

Feel free to reach out if you have any questions or need further details. I look forward to contributing to your project's success.

Best regards,

Wulida Rochman | upwork-id
